You're Invited: Family Resource Fair & Movie Night in the Park

Greetings,

My office, in partnership with the Youth Policy Institute and After-School All-Stars, will be hosting a **free** Family Resource Fair & Movie in the Park. This resource fair is a great opportunity to interact with representatives from various non-profit and government organizations to learn about helpful programs and services that may reduce your family's monthly expenses. My staff and I will distribute backpacks and school supplies to local children to help prepare them for the upcoming school year. (Due to limited supply, priority will be given to families who [RSVP](#) for the event).

In addition to the resource fair and school supply give-away, I am excited to announce that 20th Century Fox Studios has partnered with us to screen the hit summer movie "Home", a production of DreamWorks Animation, which is currently in theaters for the whole family to enjoy at the park. Light snacks will be provided during the movie.

I look forward to meeting each of you and hope you will share with me any thoughts or concerns you may have on issues facing our state and local community.

I hope to see you on Saturday, July 25. Please [visit my website](#) for more information.
